The Solidago Summer Resort is in Calambrone, at the limit of the Natural Park of San Rossore Massaciuccoli, and faces directly on the shore, next to famous and protected sand dunes, on which the Solidago blossoms, a typical yellow flower. The complex is only a few minutes drive from the historical centre of Pisa, from the Galilei International airport and the passenger port of Livorno. In a few minutes is thus possible to reach the most important cities in Tuscany and island of the Tuscan arcipelagus. The 130 apartments have precious services like a 70 metres swimming pool, a big restaurant, a bar, an ice cream parlour, parkings and big beach.
