Cost-effective and space-saving prefabricated module Reno Port ensures succesful renovation

Housing company Hottonia located in Olari, Espoo, had a successful renovation that was finished in September 2018. Everything went according to time schedule and the result was excellent. The renovation was carried out with prefabricated solution Reno Port cassette.

A successful renovation was carried out with Reno Port cassettes Hottonia housing company in Espoo. When choosing a solution, the focus was on cost efficiency, installation speed and space saving. From the point of view of the housing company, easy serviceability and the domesticity of the solution provider were also important criteria.
