

## UPONOR WATER SERVICE SOLUTIONS

# 50 Years of Proven Performance

With decades of service and 17 billion feet of pipe installed around the world, Uponor AquaPEX® plumbing systems are the reliable piping solution professionals trust.

Uponor water service pipe, fittings, and valves provide faster, easier solutions for quality and confidence on every project.

## A System More Contractors Around the Country Trust

- Meets the International Plumbing Code (IPC) requirements
- Holds the highest chlorine resistance rating per ASTM F2023
- Proven by Plastics Pipe Institute (PPI) Technical Report TR-52 for exceptional resiliency in freeze/thaw cycles
- Strong, durable ProPEX® fittings offer reliable, solid connections for a system you and your customers can count on
- Nationwide network of distribution and technical support to keep your projects on schedule and your customers satisfied

## UPONOR AQUAPEX SYSTEM PIPE AND FITTINGS

➤ Learn more about how Uponor can help drive your business forward at [uponor.com](https://www.uponor.com).

### Faster, Easier Installs

With lightweight, long coils approved for direct burial without the need for sleeving and a quick, reliable connection method that is easy to learn, you have a complete system that meets your needs.

### Greater Reliability

Uponor PEX-a withstands harsh soil conditions without corrosion, and the flexible pipe allows fewer required connections for greater system performance.

### Confident Quality

25-year transferable limited warranty ensures the Uponor solutions in your homes are made to last, keeping your reputation solid.
